SUBJECT: Special Use Permit #2014-0060
Administrative Review for Change of Ownership
and Minor Amendment
Site Use: Restaurant
Applicant: Mackie's Bar & Grill LLC
Location: 907 King Street
Zone: KR / King Street Retail

Request

Special Use Permit #2014-0060 is a request to change ownership of an existing restaurant from Mathil Chebat to Mackie's Bar & Grill LLC. The applicant has also requested a minor amendment to extend the weeknight closing hour from 11 p.m. to 1 a.m. The weekend closing hour (Friday and Saturday nights) would remain at 1 a.m. and no other changes to the existing SUP conditions are proposed. The applicant plans to serve American cuisine with an emphasis on steaks and operate under the trade name of "Mackie's."

Background

A restaurant has existed at the site since approximately 1987 when City Council granted SUP#2000. City Council subsequently granted two changes of ownership, one of which also included an extension of the hours of operation. On October 15, 2005, the City Council granted SUP#2005-0087 to Lek's Family Inc. to further extend the hours of operation. In June 2006, staff determined that no change of ownership was required when the same individual owning Lek's Family Inc. changed the corporate name of the business to David and Kim, Inc. Most recently, staff administratively approved SUP#2010-0032 to change ownership of the business to Mathil Chebat.

In 2010, Mathil Chebat was issued a notice of violation for allowing live entertainment in the form of disc jockeys at the restaurant. The applicant agreed to no longer provide any kind of live entertainment at the site.

Parking

The subject property is located within the Central Business District (CBD). Restaurants located within the CBD are exempt from parking requirements pursuant to Section 8-300(B) of the Zoning Ordinance.

Community Outreach

Public notice was provided through eNews, via the City's website, and by posting a placard on the site. In addition, an email with information about the request was sent to the Old Town Civic and King Henry Court Civic Associations. Staff has not received any comments from the public regarding this request.

Staff Action

Staff views the change of ownership as a reasonable request but notes that it cannot approve the entirety of the applicant's minor amendment request to extend the closing hour to 1 a.m. Sunday-Thursday. Pursuant to Section 11-511(A)(2)(b)(i)(a) of the Zoning Ordinance, an increase in the hours of operation of up to two hours is eligible for minor amendment approval, but only if the increase does not exceed the neighborhood standard closing hour. In Old Town, the neighborhood standard closing hour is 12 midnight during the week and therefore the requested 1 a.m. weeknight closing hour would exceed the neighborhood standard. Instead, staff has approved an increase of one hour, from 11 p.m. to 12 midnight Sunday-Thursday, which is the maximum closing hour it can approve administratively.

At the time of the most recent full-hearing request for this restaurant site in 2005, a prior owner represented to Planning Commission and City Council that no deliveries of food to customers would occur here but that the restaurant would offer limited live entertainment in the form of a solo guitarist. Staff has therefore memorialized this representation in new conditions prohibiting food deliveries to customers (Condition #19) and formally allowing limited live entertainment (Condition #18). In addition to including standard "limited" live entertainment language, staff has added that only a solo guitarist, pianist or similar musician would be allowed to clarify that other forms of entertainment such as DJs would not be allowed. Staff has also amended or added other conditions of approval in this report for consistency with today's standards regarding matters such as alcohol, trash storage, and supply deliveries.

Staff hereby approves the Special Use Permit.
